FORT LAUDERDALE

Fort Lauderdale lies along the Atlantic Ocean at the mouth of the New River, 25 miles north of Miami. For sun-worshippers, the city has six miles of beaches. There are many recreational waterways with access to every conceivable watersport, a variety of museums and trendy restaurants, and an array of entertainment venues.

PHILIPSBURG, ST. MAARTEN

What makes St. Maarten so unique is its blend of cultures. The island is home to 120 different nationalities speaking over 80 languages and is governed by two countries: the Netherlands and France. In fact, it's the smallest land mass in the world to be shared by two different nations. While it may be less than 40 square miles, there's plenty to do on this little island.

CASTRIES, ST. LUCIA

From the dramatic landscapes molded by ancient volcanoes to sparkling palm-fringed beaches, St Lucia is a beautiful Caribbean island to behold. Explore abandoned sugar plantations, snorkeling in crystal clear waters, or chasing brightly coloured fish in the shadow of the Pitons.

BRIDGETOWN, BARBADOS

Bridgetown strikes a fine mix of island warmth and English heritage. Stately colonial buildings intermingle with colorful wooden homes, open-air markets, and catch-of-the-day cafes. Cruise to Barbados and head towards the shore for pink-and-white-sand beaches that stretch on endlessly with crystal-clear turquoise waters. Or to the center of the island, where you'll find rolling hills and valleys, sugarcane fields and historic plantations.

ST JOHN'S, ANTIGUA

Antigua and neighboring Barbuda form an independent country in the British Commonwealth. The English settled here in 1632 and became independent in 1981. The capital and largest city, St. John's, is one of the more developed and cosmopolitan municipalities. Discover 365 Caribbean beaches hidden among the countless cliffs and bays. The lush rainforest, dramatic landscapes, and turquoise waters tempt eco-adventurers from swimmers to hikers to zip-line flyers.

BASSETERRE, ST. KITTS & NEVIS

Greens in every shade spring from the rolling hills of St. Kitts— an island ripe with eco-tourism adventures. In the port city of Basseterre, find centuries of history to explore in impressive estates and photo-worthy monuments like the Brimstone Hill Fortress, one of the best-preserved military structures in the Americas.
