This morning, travel to the Southern Shore of the Avalon Peninsula along the winding coastline of the beautiful Irish Loop, which is dotted with small 'outport' communities for which Newfoundland is so famous. Then visit the Colony of Avalon Archaeology Site, where the remains of an early 17th century settlement is well preserved. Enjoy a nice local meal in Ferryland. This afternoon travel up the Irish Loop to the community of Bay Bulls. Don't miss the chance to see thousands of Atlantic Puffins, Murres and other seabirds as well as many Humpback, Minke, and Fin whales. Tonight, enjoy dinner in Bay Bulls.

■ TUESDAY, AUGUST 4

Today we will go "around the Bay" along the picturesque coastline of Conception Bay, the home of pirates of centuries ago. Stops will be made along the way for picture taking and to visit some of the more interesting villages such as Holyrood and Brigus. Brigus is one of the historic sailing ports of Conception Bay and home of the late, famous Captain Bob Bartlett who took Perry to the North Pole.

This morning, travel to Grand Bank. This town is made famous by its namesake schooners and its prolific fishing heritage. After lunch in Fortune, catch the ferry to the Island of St. Pierre. With a population of 6500, the infrastructure is modern and urban. The residents are a combination of rotating French employees and those who have lived on the island for many generations. Their traditions are completely European with an interesting mixture of French and Basque culture and history. On arrival in St. Pierre partake in a guided tour of the island. The late afternoon is free to explore. Tonight, enjoy true French cuisine where we dine at one of St. Pierre's finest restaurants.

Accommodations: St. Pierre TBA

■ FRIDAY, AUGUST 7

B, L, D

Today we have options to suit the interests of the group. Some may choose to take a half day tour to Isle aux Marins (Sailor's Island). This is a small island situated in the mouth of the harbour from St. Pierre. It was at one time a fishing village of 600 souls, which made it larger than St. Pierre. Others may choose to take a free morning in St. Pierre to visit the sites and museums or to 'twack' around in the shops that feature many imports from France and other parts of Europe.

Jellybean Houses
