

Safe Travel Commitment Update

Our mission at Journeys is to ensure enriching and safe travel for all our passengers. At this time, for all 2021 tours, passengers are required to be fully vaccinated, receiving two doses of a Canadian approved vaccine at least 14 days prior to departure, and if requested, provide documentation. Our STC includes completing a personal wellbeing waiver prior to tour departure, physical distancing whenever possible, reduced passenger capacity and wearing a face covering at all times on board the coach, and more.
