

We continue to be optimistic and look forward to the days of travelling. Here in the office, the groups team is busy preparing tour itineraries so when the world is ready, we will be too. We had our first day tour operate, and it felt so good to be back on the road.

To provide our travellers with information and knowledge of our plan to keep safety at the forefront throughout each tour, we have established **Our Safe Travel Commitment**.

Our commitment to our passengers and teammates is to ensure their health and safety while providing a greater peace of mind during your journey. We have implemented 5 key areas of enhanced standards to follow during pre-departure and while onboard our tours. Please visit caaniagara.ca/safetravel for more details.

CAA Tuxedo Tours is approaching its 25th anniversary, and the solo program will be celebrating its 8th year anniversary in December! Each year the program has been consistently growing and expanding our tour line-up. As the travel world changes, CAA Tuxedo Tours is committed to adapting to the times. **Keep your eyes open for an exciting announcement in November**, join our virtual event to take part in the celebration!

Finally, it is hard to believe but the holidays are around the corner. With the limited restrictions of indoor gatherings, the Holiday Solo Social will be postponed for this year. I look forward to gathering in larger numbers when it is safe to do so. With the overwhelming generosity of the Adopt a Family through Community Care last year, this year we are hosting a **Holiday Hygiene Kit drive with United Way Niagara**. 2020 has been a challenging year for many and any items you are able to donate will support our local community. More details can be found further in this newsletter.

Hope everyone had a lovely Thanksgiving overflowing with peace, love and laughter.

Giving Back

Holiday Hygiene Kit Drive

When people think of donating items, everyday essentials like personal hygiene items don't always come to mind. These items are challenging to access and expensive for people experiencing financial insecurity.

This year the solo program will be hosting a Holiday Hygiene Kit Drive for United Way Niagara. Each kit contains;

- 1 shampoo
- 1 conditioner
- 1 comb
- 1 deodorant
- 1 floss
- 1 bar of soap
- 1 toothpaste
- 1 toothbrush
- 1 wash cloth

Donated items can be dropped off at any CAA Niagara location between now and December 18th with attention to the Solo Program. You also have the option of sponsoring a full kit for \$15. You can always check with Erin, by phone or email, for what items are needed.
