

Happy New Year Everyone! May this year bring new happiness, new inspirations, new goals, and of course new travel opportunities. Before the holidays we were able to celebrate the past year at our Annual **Holiday Solo Social**. Thank you to everyone who attended & congratulations to all prize winners! Over the holidays, the solo club participated in a **Holiday Initiative** for Community Care, collecting items for a local family in need. I am happy to announce the solo club collected everything on the family's Wishlist and more! It is amazing to be apart of and achieve a common goal. Make sure to keep updated on our Meet me There social events & other activities in the community.

To finish the year, included in this newsletter are the final two solo friendly group tours for 2020. The tour details and highlights are completed for the **Toronto Blue Jays Invade; Seattle, Washington** July 23 to 27 & **Picturesque Portugal** October 11 to 20. Flyers for both departures are available online or in any CAA Niagara location. In addition, there will be a **travel presentation** featuring the Portugal departure, on Monday March 9th. This departure is a solo exclusive departure featuring only solo accommodations & no single supplement. Please RSVP to the presentation if you are interested.

The new year just started, but the 2021 solo departure planning is well under way! As always I want to hear from you. Where is your next dream destination?

-Erin Clarke

Help me warmly welcome back the solo members who travelled to the sunny island of Aruba in January. What a great way to kick off the new year! In February, the Solo Travellers Club is traveling to Ottawa for some Canadian winter fun at Winterlude.
