

Hello Solo Travellers!

It's an exciting time at Journeys by CAA Niagara! As travel restrictions start to ease, we're back on the road with our multi-day and day tours. It's such a thrill to welcome our travellers back to our coaches and we can't wait to see you onboard, if we haven't already.

We are also seeing increased interest in our 2022 departures. For our Solo Travellers, we are offering a few unique tours including: a winter getaway to Jamaica, a unforgettable river cruise on the Danube, and a wine tasting tour in the Okanagan. For those of you planning to travel in 2022, I'd advise booking sooner rather than later. With increased demand and reduced capacity, our tours are selling out faster than ever before.

We've also had some changes to our Solo Travellers Program. Our friend Erin Clarke has moved on to another opportunity and will no longer be leading Solo tours for Journeys by CAA Niagara. We thank Erin for all she has done in her time at CAA Niagara and wish her the best in her future endeavours.

While Erin has left large shoes to fill, I'm confident the Solo Travellers Program will be in good hands with Margaret Davison. Marg is a familiar face to many of our Solo Travellers, as she was instrumental in launching the Solo Travellers Program in 2012. Over the years, Marg has hosted countless tours for Journeys by CAA Niagara and she always gives her travellers an experience of a lifetime. We're delighted to have Marg involved in the Solo Travellers Program, once again, and Marg can't wait to see you all on tour.

Thank you for your continued interest in the Solo Travellers Program. I hope each and every one of you have a safe and happy holiday season.
